The matter relates to demolition of towers erected by the petitioners for their cellular mobile operations. The contention of the petitioners is that although they cannot as of right challenge the action taken by the Government, the Government may consider whether the petitioners can be permitted to continue the use of towers on appropriate terms.

2. The learned Government Pleader submits that the Government is prepared to consider their representations in this regard. Counsel for the petitioners submits that Ext.P7 (W.P.(C) No.14087/2007) and Ext.P6 (W.P(C) No.14134/2007) have been filed before the Government.

3. In the above circumstances, there will be a direction to the Government to consider the petitioners' representations, as expeditiously as possible and take appropriate decisions thereon which shall be communicated to the petitioners. The writ petitions are disposed of with the above direction.
